RENEWED PETITION UNDER 37 CFR 1.497(d)

Honorable Sir:

The present petition is a "Renewed Petition Under 37 CFR 1.497(d)" to request reconsideration of Applicant's Petition under 37 CFR 1.497(d) adding Johann Waldvogel as a co-inventor in the above-captioned application. Applicant received a Decision on Petition on 02 March 2007 (copy attached), indicating (on page 2) that Applicant had satisfied items (1), (2) and (4) but regarding item (3),

"...applicant has not provided a signed statement from the assignee consenting to the addition of Johann Waldvogel as an inventor in the application."

The Decision on Petition dated 02 March 2007, dismissed without prejudice Applicant's request under 37 CFR 1.497(d) and afforded Applicant two months to file this request for reconsideration with no additional petition fee due.

Accordingly, Applicant submits herewith the following:

a) "Consent of Assignee to Add Joint Inventor to Patent Application" dated March 30, 2007, along with a copy of the Statement under 37 CFR 3.73(b) and assignment; and

b) Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address and Statement Under 37 CFR 3.73(b) dated April 13, 2007.

Reconsideration and grant of Applicant's Petition under 37 CFR 1.497(d) and the addition of Johann Waldvogel as co-inventor in the above-captioned application is respectfully requested. Any additional fees due should be charged to Deposit Account No. 13-1816.

Please do not hesitate to contact the undersigned with any questions or comments.

Respectfully submitted,

DECISION ON PETITIONS
UNDER 37 CFR 1.497(d)
AND 37 CFR 1.137(b)

This decision is in response to applicant's "Response to Decision on Petition" filed 02 January 2007 in the United States Patent and Trademark Office (USPTO).

BACKGROUND

On 02 November 2006, applicant was mailed a decision holding in abeyance a decision on applicant's petitions under 37 CFR 1.137(b) and 37 CFR 1.497(d) pending clarification as to the status of Bernd Gaugler. Applicant was afforded two months to file any request for reconsideration and advised that this period could be extended pursuant to 37 CFR 1.136(a).

On 02 January 2007, applicant filed the present renewed petitions.

DISCUSSION

Applicant has presently provided proof, which has been confirmed by the International Bureau (IB), that notwithstanding the published international application, Bernd Gaugler is indeed an applicant/inventor for the present application. The IB has advised the USPTO that the international application will be republished. As Mr. Gaugler's status has been confirmed it is appropriate to consider the petitions initially filed 07 August 2006.

I. Petition Under 37 CFR 1.137(b)

A petition under 37 CFR 1.137(b) requesting that the application be revived on the grounds of unintentional abandonment must be accompanied by (1) the required reply, (2) the petition fee required by law, (3) a statement that the, "entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional" and (4) any terminal disclaimer and fee pursuant to 37 CFR 1.137(c) (where required).

MAR 26 2007

MARSHALL & MELFORD, LLC

Applicant's petition satisfies items (1)-(3) and item (4) does not apply. Specifically, applicant has provided payment of the appropriate petition fee, provided an explanation as to the unintentional nature of the delay in filing a response to the Form PCT/DO/EO/916 and provided a proper response in the form of the petition under 37 CFR 1.497(d) discussed below. As such, it is proper to grant applicant's petition under 37 CFR 1.137(b) at this time.

II. Petition Under 37 CFR 1.497(d)

37 CFR 1.497(d) [formally, 37 CFR 1.48] states in part: "If the oath or declaration filed pursuant to 35 U.S.C. 371(c)(4) and this section names an inventive entity different from the inventive entity set forth in the international application....applicant must submit:

- (1) a statement from each person being added or deleted as an inventor that the error in inventorship occurred without any deceptive intention on his or her part;
- (2) the fee set forth in 37 CFR 1.17(h); and
- (3) if an assignment has been executed by any of the original named inventors, the written consent of the assignee in compliance with 37 CFR 3.73(b); and
- (4) any new oath or declaration required by paragraph (f) of this section.

Applicant has satisfied items (1), (2) and (4).

Regarding item (3), while applicant has submitted a statement under 37 CFR 3.73(b) establishing the right of the assignee to take action executed by an officer of the corporation, applicant has not provided a signed statement from the assignee consenting to the addition of Johann Waldvogel as an inventor in the application. As such, it is not possible to grant applicant's request under 37 CFR 1.497(d) at this time.

CONCLUSION

For the reasons above, applicant's petition to revive the application pursuant to 37 CFR 1.137(b) is **GRANTED**.

For the reasons above, applicant's request under 37 CFR 1.497(d) is **DISMISSED** without prejudice.

Applicant is hereby afforded **TWO (2) MONTHS** from the mail date of this decision to file any request for reconsideration. Any reconsideration request should include a cover letter entitled, "Renewed Petition Under 37 CFR 1.497(d)." No additional petition fee is required. Extensions of time may be obtained under 37 CFR 1.136(a).
